MITCHEL, HOME, IS SILENT ON CABINET

Mayor-elect Will Not Announce Appointments Until December 31.

GUESSERS ALREADY BUSY

Pick Woods for Police, Mills for! Chamberlain and Fill Other Places.

Not a hint as to city appointments did anybody get out of Mayor-clect John Purroy Mitchel, who got home yesterday In tiptop health from a month's excursion to the tropics. He said he would announce nothing until December 31, the before his inauguration, that he hadn't been thinking about politics at all. and that efficiency and experience rather than party service would be the test for all candidates.

A report that Arthur H. Woods will be Police Commissioner preceded the Mayor-elect into port. By the time the Panama explorers on board the Tenadore reached their pier some of the New York games bad a Cabinet all ready for Mr Mitchel.

Leading with Mr. Woods, who was deputy under Gen. Bingham, for Police Contains ioner, they announced that Ogder Mills, now active in the movement of the

Mills, now active in the movement of the independent Republicats, could be City Chamberlain if he wanted to. To other places they assigned these men:

Commissioner of Charities, Leo Arnstein, secretary of the Borough of Mainhattan; Commissioner of Water, Cas and Electricity, Robert Adamson; Park Commissioner, Dr. Henry Moscowitz. They said that R. A. C. Smith would be reappointed Dock Commissioner, Lawson Purdy, Tax Commissioner, and David Perguson, supervisor of the Cin Record; Furdy, Tax Commissioner, and David Ferguson, supervisor of the City Record; that Joseph M. Price, chairman of the fusion executive committee, could have his choice of several jobs and that Clarence Shearn is Mr. Mitchel's choice for Corporation Counsel. The only Progressive on this incompplete slate is Leo Arabitation.

Expected to Discuss Policy.

A notice sent out by the Honest Ballot Association says that Mr. Mitchel is ex. pected to discuss the "administration policy" at the dinner which the asso-ciation is to give in his honor at the Hotel Aster to-night. Other speakers will Hotel Aster to-night. Other speakers will be Gov. Glynn. District Attorney Whit-man and George W. Perkins. Among those who have reserved tables are Mayor Ardolph Kline. Vincent Astor. Oscar S. Straus. Dudley Field Malone, John D. Rockefeller, Jr., and Seth Low. The asso-ciation says that Edward E. McCall and

were greeted at Quarantine yesterday by Collector Malone. Dock Commissioner It A. C. Smith and Bertram de N. Cruger, Mr. Mitchel's secretary. On the East River pier where the Tenadores docked was Gen. Nelson H. Henry, Surveyor of the Port. There were also a moving picture man and no end of ordinary photographers for whom the Mayor-elect and his wife amiably posed.

Rumors of a tiger hunt having come from Payama. Mr. Mitchel was asked go this one was a success, if laughter go the survey of the programme of the fourth floor of the tenement house at 137 West Houston street. In the happy Neapolitan fashion they invited all the neighbors and the neighbors' children to join them in the merrymaking.

There were kisses for the bride, handelasps for the bridegroom, and food and drink for the guests. As wedding parties go this one was a success, if laughter

Rumors of a tiger hunt having come from Panama, Mr. Mitchel was asked about his sporting luck. He replied that he had none—didn't shoot any game or catch any fish, although he tried to—and as for tigers. Panama had none; at least Mr. Mitchel said nobody had thought to tie any tiger up for him to shoot.

NAVAL HOLIDAY BILL PASSES. House Adopts Hensley Resolution

HEAR DR. MONTESSORI EXPLAIN HER METHOD

Throngs in Carnegie Hall at Lecture by Famous Educator.

Houses of Childhood in Rome one day, was followed by all of the pupils, fortyfive little children, who comped and scat-tered about the street and called joy-

fully to the teacher.

Passers by, with no notion of the spirit of the Montessori Houses of Childhood. said to one another, rather scornfully, "this is a queer school. The children are , undisciplined, as wild as woods animals.

These children are Alexander Tony, 5 to years old, and his brother Tony, 5 years old.

On their way home to the Peter Stuyresant spartments, at Ninety-eighth street and Riverside Drive. Mr. and Mrs. Mitchel topped for a moment at his office, 55 Liberty street. He expects to engage arger offices in which to receive callers until January I.

In the party accompanying Mayor-elect Mitchel and his wife were J. Waldo Smith, thef engineer of the Board of Water Stupply: Lamar Hardy, a lawyer; Mrs. Howard Cooley, Mrs. Mitchel's sister: Miss Rose Perkins and Miss Emilies Michel.

These children are Alexander Tony, 5 years old, and his brother Tony, ture at Carnegie Hall last night illus-trated the effectiveness of her methods first of all that you shall send to Congress

she said, of his friend Billie Flynn, head of the secret service, and often told her that he preferred sieuthing to living on the income of his estates.

Dr. Montessori delivered her lecture in Italian, but Miss Anne George, one of her pupils in the Montessori method, trans-lated. The lecture lasted more than two tion as to his reply, which was delivered hours, but the audience listened with per-fect attention and there were bursts of ap-plause frequently.

AID SUFFRAGE CAUSE individual, but when he is a spokesman of an organic body he is a representative. It was for this reason that he felt that his own principles were shut out and, in the language of the street, that he could not start anything. He said that he must confine himself to

WITHHOLDS OWN VIEWS

President Careful Not to Commit Himself in Interview With Delegates.

Washington, Dec. 8.—President Wilson old the eighty-eight delegates and members of the National American Woman this to show them that he was strictly living up to his principles. That when Suffrage Association to-day that under the policy he has outlined for himself he could not make any specific representation to Congress in regard to an amendment to the Federal Constitution providing for equal suffrage.

That when his private opinion is asked by those cooperating with him he was most glad to give it, but was not at liberty to speak for somebody besides himself to urge legislation upon Congress.

When the President had finished Dr.

President Wilson made it clear to the Shaw spoke up again:
"May I ask one question?" she said, and President Wilson made it clear to the President model assent the President model assent the President model assent we to look as he could not suggest to Congress legisla- selves?" tion dealing with changes in the fundamental is wonot previously presented for general consideration through the medium of party platform pronouncements. The President did not give the suf-

fragists even the satisfaction of knowing his personal views on the subject. The effect of his statement was to throw the burden of the equal suffrage question on the back of the Democratic party itself. Members of the delegation plainly were dissatisfied with the result of their visit

and some of them were inclined to charac-terize the President's attitude as evasive. The statement by the President, how-ever, has a broader significance than its Water Nearly Sinks Vessel.

A forged steel shaft eighteen feet long and of several tons weight slipped from its wooden easing Yesterday white being hoisted into the Red D steamship Zulia and fell into the hold, ripping a hole in the bottom of the vessel, water flooded the yessel withing the commend measures to Congress to Congress. vessel, ruining the cargo of flour, to recommend measures to Congress, less and other things valued at more \$25,000.

recover from their astonishment the after part of the ship was partly filled with water. The ship began to settle and for a fine it looked as if the vessel would smap her moorings and sink. All hands were ordered ashore.

Several tugs and decricks from the Moment marched to the Executive offices, timing their march so as to arrive

Washington, Dec. 8.—By a vote of 317 to 11.

Washington, Dec. 8.—By a vote of 317 to 11 the House passed to-day the Hens-ley resolution approving the proposal of Winston Churchill, First Lord of the Admiralty of Great Britain, that the Powers stop naval construction for a year. The his influence to effect an international agreement such as that contemplated by Mr. Churchill.

The Administration is in resolution received us with graciousness and board received us frage Association I have come with this delegation, authorized by the association to present to you the claims and the obsaid of ject for which we are organized, which object is to secure equal suffrage to the women citizens of the United States through Congressional and legislative NO TAX ON GEN. GRANT'S ESTATE say they will go back home when released which object is to secure equal suffrage to the women citizens of the United States through Congressional and legislative enactment. We have made these pilgrimages to Washington fer many, many years and committees have received us with graciousness and have listened to our arguments. We have no complaint to make whatever, the only difficulty is that the committees have burled our requests. They have not been permitted to come even before Congress so that Congress itself might act upon them, nor have they been submitted to the electors of the various States.

Failed to Persuade Committee.

"Our wish is that we may have a national constitutional amendment enfranching the women citizens of the laid and preventing the States from depriving the women citizens from an equal repressional committees have not responted our measure before the Congress and the configuration in the Government.
